

HERBARIUM OF HARVARD UNIVERSITY,

BOTANIC GARDEN, CAMBRIDGE, MASS.

Ms. 17

1875

Dear Mr. Darwint

Here is a segment  
of a well-developed  
sterile part of

*Ceratopteris* —

showing the transverse  
axoid

I can give you a  
specimen of the ad-  
vulid form of this form.

Truly  
Yours  
Gray
